“THE ULTIMATE DISCONNECT”
Psalm 67

One Truth...

- God blesses His people for the sake of His praise among all peoples.

One Danger...

- We are prone to disconnect God’s blessing in our lives from God’s purpose for our lives.

Realize Who God Is...

- He is the Gracious Savior.
- He is the Righteous Judge.
- He is the Sovereign King.

Realize Why God Blesses...

- He aims to be known among all peoples.
- He aims to be enjoyed by all peoples.
- He aims to be feared by all peoples.

Realize What This Means...

- This prayer must be constant on our lips.
- This purpose must captivate our lives.
- This promise must compel risk-taking, life-giving, death-defying confidence in our Lord.
