

Message Discussion Guide THE CHURCH'S BLANK CHECK

The Church at Brook Hills,

Dr. David Platt

January 9, 2011

Acts 1-2

This guide is to help you facilitate discussion with your Small Group. Use it as a resource to lead your group in discovering and owning the truths of God's Word. There may be questions you do not want to use and there may be instances where you just want to focus on a particular point or truth. Some questions may bring out emotions and cause people to dwell on their relationship with God. Your role is to facilitate this experience not to complete the discussion guide. Use this as a flexible teaching tool not a rigid teaching task list.

A Gathering of People for a Purpose

- **Jesus died on the cross for the people of The Church at Brook Hills.**
- **God opened the eyes and hearts of these people so they could believe in Him.**
- **God saved the people of this church and gave each person His Spirit.**
- **The people of The Church at Brook Hills live among a world of sin, darkness, and great need.**
 - **Over three billion people live on less than \$2 a day, and a billion of those people live in absolute poverty – in slums – hundreds of millions of men, women, and children are starving and dying of preventable diseases.**
 - **Billions of people are engrossed in false religions – over 1.5 billion of them have never even had a chance to hear the gospel.**
- **God has charged the people of Brook Hills to take the gospel to these people and ends of the earth.**

Application

- If we started with a blank slate, what would our church look like, considering this information?

- How might our programs differ?
- How might our building differ?
- How might the organization differ?
- How might our giving differ?
- How might our attitudes and focus differ?
- We often hear about giving God a blank check with our lives, why haven't we ever considered giving Him one for this local church?
