Christmas Hope: The Life that Counts **1 Peter 3:13-4:11**

WEEK 15 (Dec. 13-19): Zechariah 3-11

MEMORY VERSE: 1 Peter 1:23

FAMILY CHALLENGE:

As we near the end of our memorization of 1 Peter 1, take some time this week to review what you have learned so far! Write each verse, 1 Peter 1:1-23, on index cards, using a separate index card for each verse. Then put the index cards on your fridge in the correct order. Placing the verses in a prominent spot will help you remember to review them! At breakfast each morning this week, let one family member pick an index card off the fridge and as you eat breakfast discuss that verse. Practice reciting it, talk about what it means and what you learn from it. If you're up for an extra challenge, recite 1 Peter 1:1-23 all the way through as a family once every day. It is such a gift to treasure scripture in our hearts and in our minds!
