## **From Surviving to Thriving**

**Genesis 5:22–24; Matthew 6:5–18**

**DATES:** January 3-9

**SCRIPTURE:** Genesis 3-10, Matthew 3-9

**FAMILY CHALLENGE:** We begin this new year reading both the Old Testament and the New Testament. Hope your whole family will join us on this journey of studying and meditating on God's Word together. Here are a couple of challenges to do together as a family this week: 1) After you read Genesis 1-2, grab some crayons/markers and a piece of paper for each person and draw the "Days of Creation", then memorize it together as a family. 2) After you read Matthew 8-9, list at least 3 miracles Jesus did and tell one of it with your own words to the family or share it with a friend.
